Dear Lim Yee Han,

Nanyang Business School (NBS) International PhD / Postdoctoral Scholarship 2024

We are pleased to inform that the Nanyang Business School International PhD / Postdoctoral Scholarship (NBSIPS) 2024 is now open for application. NBSIPS aims to encourage outstanding Singapore citizens to pursue an academic career in NBS by supporting their doctoral or postdoctoral studies abroad.

Under this scheme, the successful candidates will be employed as University staff. They will be granted paid leave to pursue a sponsored PhD / postdoctoral programme in an approved overseas university. Upon successful completion of the programme, they will be appointed as tenure-track Assistant Professors of the University.

The successful applicant should have a First Class Honours Bachelor's degree in Accountancy, Business, Social Sciences, Mathematics or Engineering. Second Upper Class Honours Bachelor's degree with exceptional research aptitude, interests or experience can also be considered. A detailed study plan and interviews by the School and University panels will form an important part of the selection process.
